TEACHING:

• **University of Missouri**, Fall 1991 - present. I have provided leadership for the **Information Systems** track of the 150-hour program in the School of Accountancy. In addition, I have coordinated the **SAP/e-business program** at MU and the College of Business. I am currently in the process of offering classes in **Fraud Examination** and **Forensic Accounting**, supported by grants from i2, Inc., and PwC. In addition, I developed an on-line instructor guide, in co-authorship with several Partners & Managers from PwC-Chicago, for "A Guide to Forensic Accounting Investigation." I was PI for the proposal that led to our nationally competitive selection for the **KPMG Data Analytics program** (2018-2021). I also helped launch the **Online Master of Accountancy program** (2018).

Accountancy 328/3328, Accounting Information Systems (undergraduate level). Capstone Project: Fraud Investigation Case Study, with recording and feedback on fraud suspect interviews role-played by FBI field agents; Tableau data visualization project for fraud examination of accounting records; Benford's Law project using SAS or IDEA.

Accountancy 408/8408, Accounting Information Systems: Concepts and Theories

(Master's level). Course coverage: General Ledger Reporting: Assumptions, Limitations, and Alternatives; Relational Database Design; Electronic Data Interchange (EDI); Enterprise Resource Planning (ERP) systems; E-Business; Object-Oriented Programming; Reporting and Data Mining.

Accountancy 428/8428, Data Warehousing and Data Mining (Master's level). Course coverage: Data warehousing and data mining concepts and applications; Enterprise Resource Planning (ERP) – specifically SAP R/3 – applications, with particular emphasis on data warehousing and data mining using SAP R/3's Business Information Warehouse (BW) system and Mineset (data mining program).

Accountancy 9467, Behavioral/ Accounting Research Seminar (Ph.D. level). Course coverage: Types of Experimental Designs and Methods of Data Analysis in Behavioral Research; Human Information Processing; Heuristics and Biases in Judgment and Decision Making; Feedback; Negotiation and Group Decision; Reading, Evaluating, and Critiquing Behavioral Research.

• **Vietnam National University** – Ho Chi Minh City University of Technology, December 2009, January 2011, & January 2014.

- **MA 319**, Management Accounting for Managers (graduate business students and business executives). Course coverage: Management accounting concepts; Cost behavior and cost-volume relationships; Measurement of cost behavior; Cost management systems and activity-based costing; Relevant cost information for marketing and production decisions; Budgeting as a tool for planning and control; Management Control systems and responsibility accounting in centralized and decentralized organizations.
- Helped the Institute of Management Accountants (IMA) [explore opportunities in Vietnam](#).

• **Speaker Series**, School of Accountancy, University of Missouri, 2008-present.

■ **Orin Ethics Symposium**. Organized and coordinated visits by prominent speakers (in the area of **ethics and regulation**) such as:

- * Sen. Paul Sarbanes (Fall 2009), co-author of Sarbanes-Oxley legislation
- * Harry Markopolos (2010), Madoff whistleblower
- * Sen. Chris Dodd (2011), co-author of Dodd-Frank legislation
- * Public Company Accounting Oversight Board (PCAOB) Board Member Jeanette Franzel (2013)
- * former Federal Deposit Insurance Corporation (FDIC) Chair Sheila Bair (2014),
- * Rep. Michael Oxley (2014), co-author of Sarbanes-Oxley legislation,
- * Andrew Fastow (2015), former CFO of Enron Corp.,
- * Professor Jacob Soll (2016), “Financial Accountability: The Rise & Fall of Nations,”
- * Mark Whitacre (2017), “When Good Leaders Lose Their Way,” whistleblower in Archer Daniels Midland (ADM) international price-fixing case.
- * Steven Mintz (2018), “Accounting Ethics,” Professor Emeritus – Cal Poly at San Luis Obispo.
- * Jerry Carlson (2019), “Ethics in Leadership and Fulfilling Professional Commitments,”

Managing Partner – KPMG Washington DC office (retired).

* Tim Mayopoulos (2021), “The Subprime Mortgage Crisis: A Review and Lessons for a Better Housing Finance System,” former President/CEO of Fannie Mae.

* Tyler Shultz (2022), “Fraud is not a Trade Secret,” Theranos Whistleblower.

I have arranged these events and a variety of opportunities for interaction with students, faculty, and alumni.

■ **Dawdy Speaker Series.** Co-organized and coordinated (with alumnus Jay Dawdy – President, Gryphon Strategies, New York) visits by prominent speakers (in the area of **fraud examination, forensic investigations, and regulation**) such as Jim Ratley (President – ACFE) - 2009, Chris Koster (Missouri Attorney General) - 2010, Ken Feinberg (US Paymaster & BP Oil Spill Claims Administrator) - 2010, David Kotz (Securities & Exchange Commission (SEC) Inspector General) – 2011, Robin Carnahan (former Missouri Secretary of State for 8 years) – 2013, Nicole Galloway (Missouri State Auditor) – 2015, Tony Menendez (former Controller of GM) – 2016, Lacey Keller (Gryphon Investigations) – 2018, Tom Hardin ([TipperX](#)) - *forthcoming*. Also arranged opportunities for interaction with students, faculty, and alumni.

■ **Diversity enhancement.** Launched a **Women’s Leadership Forum** and facilitated the creation of a new diversity outreach program **Diversity Awareness Partnership** to attract under-represented minority students to the accounting profession. Served as chair of the AACSB accounting accreditation review team for the nation’s largest Historically Black College & University (HBCU), helping develop a deeper understanding of the role that HBCUs could play in enhancing the talent pipeline. I have also facilitated support for the **EY LEAD** mentoring program and **Global Mindset** grant at Mizzou, in addition to KPMG MADA scholarships.

■ **Leadership Events.** I regularly engage high-level leadership of accounting firms and corporations (e.g., CEOs, CFOs, Partners, Managing Partners, etcetera), creating forums and programs with such leaders to speak and interact with students, faculty, and staff.

■ **Professional Development Opportunities.** I have also helped arrange high-profile speakers and **professional development** events for students/faculty/alumni in various other settings (e.g., classes, student organizations, etcetera) on topics ranging from career opportunities to networking.

KEY FUNDRAISING TEAM ACCOMPLISHMENTS:

- **Gifts and Endowments:** Helped build and manage about **\$4.4M** in distributable funds and **\$11.3M** in endowment funds for student scholarships, faculty mission, and programmatic needs. Have also helped facilitate estate gift commitments from alumni for a wide variety of support, including faculty support and scholarships.
- **Scholarship endowments:** Helped raise more than **\$4M** in student scholarship funds, including several planned gifts for scholarship endowments.
- **Named Faculty positions.** Helped create/facilitate **14** named faculty positions during my tenure (~\$1.75M), in addition to estate gift commitments of \$1.65M and a new faculty support endowment of \$120,000 totaling **\$3.52M**, to provide for salary and professional development supplements to faculty.
- **Ethics Symposium.** Worked actively with an alumnus to endow a highly visible and beneficial *Orin Ethics Symposium* at Mizzou.
- **Davenport Society.** Actively assisted with 35 Davenport Society admissions (i.e., about **\$875,000**) under my tenure.
- **Annual Giving.** Actively help coordinate/liaise with alumni and firms to help raise an average of **\$790,000** in annual giving (discretionary funds). This past year, \$857,000 was raised in annual gifts.
- **Tuition/Fee based revenue streams.** Proposals that I authored include the *Accountancy Graduate Supplemental Fee* which provides ~**\$400,000 a year** to support program and staff; *Accountancy Program Fee* which provides around **\$500,000 a year**, for faculty hiring.
- **Curriculum Grants.** *KPMG Data Analytics program* selection for 2018-2021, which provided **full funding** for 30 graduate students (i.e., 10 graduate students a year for 3 years). *Mizzou Online MAcc program grant*, \$250,000. *PwC Forensic Accounting grant* for 2004-2007, \$150,000. *i2, Inc. investigative analysis software grant*, \$332,367.
- **Study Abroad revenue stream.** The study abroad program that I helped launch in 2010 (to Chile and England) generated around **\$20,000 a year** for participating faculty/staff.
- **Capital Campaign.** Actively engaged in capital campaign for Mizzou School of Accountancy beginning in 2016. Gifts/pledges/commitments/estate gifts to date total more than **\$6M**.
- **\$1.1M Endowed Professorship** was set up in my honor by alumnus earlier this year. Article by University of Missouri is available [here](#).
